

Allianz private health insurance cover for inpatients

InboundMed Best 100 and
Daily Sickness Allowance Inbound plans

Allianz Private
Krankenversicherungs-AG March 2024

Companies need comprehensive health insurance cover for their inpatriates

Definition of inpatriates

People who are in Germany on a temporary basis in connection with a professional activity¹. Inpatriates may enter from EU countries and non-EU countries.

Requirements on inpatriate insurance cover

- **Easy** to manage
- **Uniform** health insurance concept for all inpatriates
- **Comprehensive health cover** – including for periods of inability to work
- Cover for additional arriving **family** members²
- A **reliable** partner for inpatriate health.

¹ Groups of people such as seasonal workers, construction workers and embassy staff are excluded.

² Family members are e.g. spouses and partners, children or parents, grandparents and parents-in-law.

APKV offers an ideal solution together with Allianz Care¹

Allianz 

Private Krankenversicherung

... acts as a **contractual partner for** companies and concludes **group insurance contracts** with them.

Allianz  **Care**

... handles **correspondence with insured persons.**

... **regulates benefits.**

¹ Does not apply to InboundMed Best 100 Continued Insurance plans. The usual processes for individual insurance plans apply there.

Companies and their inpatriates enjoy optimum health insurance cover at all times (1)

With Allianz's **special corporate plans** and a **group insurance contract**, corporate customers can offer their inpatriates short- and long-term cover through APKV. For employees ...

... who are in Germany for the first 5 years after entering the country.

... whose stay in Germany is extended beyond 5 years.

If cover under the group insurance contract ends and the insured person continues to reside in Germany, he or she can **continue the insurance privately**.

1. InboundMed Best 100 and Daily Sickness Allowance Inbound

- The maximum term of the insurance policy is **five years**.¹
- Daily Sickness Allowance can only be taken out with a **German employment contract**.

2. InboundMed Best 100 Long-term and Daily Sickness Allowance Inbound Long-term

- Can be concluded **following** insurance under InboundMed Best 100 or a prior insurance policy through a competitor.
- Daily Sickness Allowance can only be taken out with a **German employment contract**.

3. InboundMed Best 100 Continued Insurance² and Daily Sickness Allowance rates (KTA/KTS)

- Can be concluded **following** insurance under InboundMed Best 100 Long-term.³

¹ Exception according to Section 195 (3) of the Insurance Contract Act (VVG) in conjunction with Section 146 (3) of the German Insurance Supervision Act (VAG): In the event of a temporary stay, a substitute rate may be calculated for a limited period and without ageing provisions. In this case, insurance may be taken out for a maximum of five years, including any prior insurance period with a competitor.

² The individual insurance version of the InboundMed Best 100 plan is available for private continuation of insurance within the first five years.

Companies and their inpatriates enjoy optimum health insurance cover at all times (2)

No medical examinations.
No waiting periods.

For companies ...

- **A simple and uniform concept**
 - All inpatriates accepted without prior medical examination
 - (Mandatory) group insurance contract (GI) between APKV and the company for as few as 10 seconded employees^{1,2}
- **Attractive cover for employees**
 - Plans meet compulsory insurance requirements and are eligible as employer contributions (tax advantage)
 - German law applies; above all, this means high standards of data protection
- **Tailor-made insurance cover**
 - InboundMed Best 100: Rate without ageing provisions or contribution surcharge
 - InboundMed Best 100 Long-term/Continued Insurance: Rates with ageing provisions and contribution surcharge, but low number of inpatriate insurees
 - Appropriate Daily Sickness Allowance rates

... and their inpatriates

- **Easy to conclude**
 - No risk assessment
 - No waiting times
 - InboundMed Best plans offer identical conditions for family members
- **Impressive package**
 - Top benefits (dental benefits cover applies only to InboundMed Best 100 plan)
 - No excess
 - Multilingual service and 24/7 availability
 - Invoices can be submitted digitally

- ✓
 - APKV provides companies with optimum comprehensive health insurance cover for their foreign employees
 - Simple, seamless transition to “Long-term” plans

¹ Family members are e.g. spouses and partners, children or parents, grandparents and parents-in-law.
² With Daily Sickness Allowance Inbound, a group insurance contract is possible for 10 or more inpatriates.
